

Osterberg Lecture 2015

Frank Rausche, Ph.D., P.E., of GRL Engineers, Inc., has been selected as the DFI 2015 Osterberg Lecturer. The lecture will take place on Thursday, March 19, 2015, 7:30 a.m.- 8:30 a.m., during the International Foundations Congress and Equipment Expo (IFCEE) at the JW Marriott Hill Country Resort and Spa in San Antonio, Texas. For more information visit www.ifcee2015.com

Rausche is the founder and principal of GRL Engineers, Inc., and was its president from 1977 to 2011. He received the 2000 Civil Engineer of the Year Award and the 2009 G. Brooks Earnest Award from the Cleveland Section of the American Society of Civil Engineers, and the 2003 Distinguished Service Award from DFI. Rausche developed the CAPWAP and GRLWEAP programs, holds five patents and has had more than 50 papers published in journals and conference proceedings.

DFI's annual Osterberg Memorial Lecture and Award was established in honor of Dr. Jorj O. Osterberg, one of the true pioneers of geotechnical engineering, to recognize innovations in deep foundations construction related to engineering design, testing or education.
